Cabbie killed in crash

A TAXI driver has died after a head-on crash on one of Brisbane's busiest bridges.

The male taxi driver and a woman driving a hatchback had to be cut free from the wreckage after their cars collided on the Story Bridge just before 5am yesterday.

The man was taken to Princess Alexandra Hospital and died a short time later, police said.

The woman driver and a passenger are in a critical condition.

Taxi Council Queensland chief executive Benjamin Wash offered condolences to the driver's family and colleagues. **AAP**
